Secondary Education

Batumi School of Physics and Mathematics No.6 | Batumi

Sep 2010 - May 2022

EXPERIENCE

Georgian Language Teacher | August, 2024 - October, 2024

Georgian Language School Accent | Batumi

I focus on creating lessons that are engaging and suited to each student's needs. Many of my students have shared positive feedback. I also enjoy sharing aspects of Georgian culture, aiming to inspire students to appreciate the language and communicate with confidence.

Barista | March, 2024 - June, 2024

Coffee&Bar Platon | Batumi

During my time as a barista in a cafe, I've become skilled in making delicious coffee and tea drinks, using espresso machines and creating beautiful latte art. In addition to making drinks, I've worked as a cashier and waiter, also been responsible for keeping the café clean and tidy. I've always welcomed customers with a big smile and enthusiasm, ensuring they have a great experience.

Vessel Planner | Sep 2023 - Jan 2024

Batumi International Container Terminal LLC | Batumi

As a vessel planner, I was responsible for strategically planning, executing, and monitoring the loading and discharging operations of vessels at a terminal. This required effective communication, problem-solving skills, attentiveness and a strong sense of responsibility.
